LECTIONARY 13

Matthew 10:40-42

About This Week's Story

The way we treat others says a lot about our character, but it also says a lot about our faith. If you truly believed that everyone bears the image of God, how might that impact the way you treat people?

Family Prayer

Dear God, we thank you for welcoming us into your family. Give us eyes to see you in everyone around us, and give us hearts that seek to welcome others, just as you have welcomed us. Amen.
